Originated in Senate  Secretary

SENATE BILL NO. 3026

AN ACT MAKING AN APPROPRIATION TO DEFRAY THE EXPENSES OF THE MISSISSIPPI WORKERS' COMPENSATION COMMISSION FOR FISCAL YEAR 2020.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

SECTION 1. The following sum, or so much thereof as may be necessary, is hereby appropriated out of any money in the State General Fund not otherwise appropriated, for the purpose of defraying the expenses incurred by the Mississippi Workers' Compensation Commission for the fiscal year beginning July 1, 2019, and ending June 30, 2020 \$ 5,437,130.00.

SECTION 2. With the funds appropriated herein, the following positions are authorized:

AUTHORIZED POSITIONS:

Permanent:	Full Time	56
	Part Time	0
Time-Limited:	Full Time	0
	Part Time	0

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required to be

appropriated for "Personal Services" for Fiscal Year 2021 do not exceed Fiscal Year 2020 funds appropriated for that purpose, unless programs or positions are added to the agency's Fiscal Year 2020 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2020 appropriations for "Personal Services" when annualized, with the exception of escalated funds and the award of benchmarks. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2020 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Funds are provided herein for all full-time employees to receive up to a Three Percent (3%) pay increase to the realignment component of the Variable Compensation Plan, excluding head of agencies, board members and commission members.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

SECTION 3. It is the intention of the Legislature that with the funds appropriated in Section 1, the Mississippi Workers' Compensation Commission shall enter into a contract with the industrial private sector for the purpose of implementing a safety education and training program.

SECTION 4. In compliance with the "Mississippi Performance Budget and Strategic Planning Act of 1994," it is the intent of the Legislature that the funds provided herein shall be utilized
